Dear Madam Secretary:

This letter and the attached amended statement of organization are in response to the Federal Election Commission's preliminary review of the July Quarterly Report (4/1/08-6/30/08) of the Evan Bayh Committee. The letter (copy enclosed) requested additional information on an item included in Schedule B of our report as follows.

On Schedule B of your report, you have itemized a disbursement to the Indiana Department of Revenue in the amount of \$14,000 for which you have disclosed a purpose of "gross adjusted income tax". Previous reports filed by your committee, however, have failed to itemize salary payments to staff members. In an amendment to this report, please clarify the nature of this transaction.

The disbursement to the Indiana Department of Revenue was for Corporate Income Tax on the Committee's interest and investment income and did not relate to salary or payroll taxes.

Additionally the Commission requested clarification on our mailing address, which is provided on the enclosed amended Statement of Organization.

We believe that this letter addresses all of the concerns of the FEC. We look forward to working with them and with you in the future.

Sincerely,

Dennis M. Charles, Treasurer
